Message:

I am writing to comment that this redistricting is a shameful attempt to silence Texans at the behest of Donald Trump. If republicans are afraid of losing, I would hope that they would actually do their job of representing the people and the policies that we are asking for, rather than gerrymander us away. Donald Trump is not a Texan. Our tax dollars pay your salaries for you to represent us, and yet time and again the Republicans prove they are only interested in serving Billionaires and a Jeffrey Epstein's best friend.
