Message:

I strongly oppose the blatant and undemocratic attempt by this committee to redraw Texas's congressional maps for the sole purpose of preserving Republican power. This is not governance—it is manipulation, and it is disgusting.

Redistricting should be about fair representation, not rigging maps to silence voters, especially voters of color and historically marginalized communities. The fact that this committee is bending the law to do so is a gross misuse of power and an affront to the democratic values you swore to uphold.

This process is being watched, documented, and will be remembered. Your job is to serve the people of Texas—not your party. I urge you to stop this abhorrent power grab and draw fair, nonpartisan maps that reflect the real population and voices of our state.

We will not forget who tried to destroy our democracy from the inside.

Sincerely,
Yasmín Ramírez
El Paso, TX
