Regarding: Congressional

Message:

I write today to urge the Senate committee to vote NO on any bill that redraws the congressional maps ahead of the 10 year schedule. The proposed maps will further gerrymander our state and leave countless Texans with unfair representation and little voice at the federal level. Texas lawmakers should not be cowed by the flippant demands of a rogue federal administration. Lawmakers must spend this special session focused on school testing reform and the much needed flood relief and disaster prevention that impacts the lives of Texans every day.
