Message:
Where are the maps?!

Word on the street is that Donald Trump and the DoJ already have a version of the maps they want Texas to use.

What's wrong with the maps you made in 2021?

Why aren't Texas lawmakers making these maps available to the public? What are you hiding? What else are you hiding from Texans?

This entire process seems rushed and clandestine.

Make the proposed maps public.
Extend time to have the public comment on them.
