To whom it may concern,

My name is Alexander W. Chastain & I have lived in Texas my whole life. This plan to redraw the districts for the election of members of the United States House of Representatives from the State of Texas seems hastily concocted at best & does not seem to abide by the norms of legislative processes. Long has Texas been gerrymandered &, yet again, it seems that the legislature of Texas is trying to slam three meetings over the course of a few days in a few select cities to further disenfranchise Texans from the Democratic process.

I strongly urge all Texans, regardless of party, to appeal to their better natures and propose fair and just legislation to provide equal representation for all Texans that truly reflect in the demographics of these areas & the will of the people.

Please reconsider this bill and the impact it will have on the Democratic process in Texas.

Thank you.
