Message:

I am writing to express my strong opposition to the current redistricting proposals under consideration. As a concerned Texas resident and voter, I believe that the proposed maps do not reflect fair representation and instead appear to prioritize political gain over the rights and voices of everyday Texans.

Redistricting should be a transparent, inclusive process that ensures every community has equitable representation. Unfortunately, the current maps dilute the voting power of communities of color, divide cohesive neighborhoods, and undermine public trust in our democratic system. These outcomes are unacceptable and contrary to the principles of fair representation guaranteed under the Voting Rights Act.

I urge the committee to reject any plan that perpetuates gerrymandering.
