Message:

I am writing to express my strong opposition to redistricting. In this country and this state, we have the right to one person, one vote. We have processes for looking at populations and ensuring representation. The current proposition is not only out of step for these processes, but makes it harder for peoples who already have less representation to be represented in the legislature. As a citizen of the United States ans a proud Texan, I ask you to please vote no on redistricting.
