Message:

I do not even know what to say because this gerrymandering effort is so ridiculous. Republicans, stop cheating! Carving out more seats for yourselves just before the midterms is completely undemocratic. If Democrats tried this, you all would be absolutely losing your minds, and you all are pushing this because Donald Trump, convicted felon and pedophile, asked you to. You should be ashamed of yourselves.

As a Texan, I vehemently oppose the mid-century redistricting our Congressional Republicans are attempting during this special session and you should too. Grow a spine, have some integrity, and stop bowing to Donald Trump's every whim.
