Message:

I am going to go to the hearing on Monday - but I am also sending in written statements for both of the remaining hearings. I just kept it simple. Feel free to copy and paste.

You are disenfranchising voters by redrawing congressional districts to win more Republican seats. That goes directly against our 1st Amendment rights by making it harder for voters to elect their preferred candidates. You are, in effect, choosing your own voters and denying voters the ability to choose their candidates. That goes against the very foundation of our democracy and is just plain wrong! Have some integrity and respect for the oath you took! Congressional maps should not be gerrymandered!
