Message:

I OBJECT to this current GOP attempt to redistrict our TX Congressional Districts selected by Gov. Abbott in response to Trump's directive to "find 5 GOP Congressional Seats" to avoid a projected catastrophic loss of Congressional seats at the 2026 midterm elections. Redistricting occurs every 10 years AFTER the completion of the US Census Data. This mid-decade redistricting scheme is nothing short of an intentional attempt to STEAL our votes, institute a RACIST attack on our voters especially in these racially targeted minority-majority districts.

Texas's racial gerrymandering is GUILTY of ensuring WHITE Minority rule- like the apartheid era. The racial gerrymandering in Texas is so institutionalized that even though whites are about 40% of the state's population, they control over 65% of the congressional districts. This new redistricting scheme aka MAGA Maps will create 79% of the congressional districts reflecting a white majority representation. This is no longer the "Lone Star State," it's the Apartheid White Star State!

We, the People, deserve FAIR MAPS! In this case, you all have not even presented maps-WHERE's the Maps?? That's how bad this MAGA STEAL of our VOTES scheme is!!! SHAME! The people are supposed to choose their representation- not the politicians! This rigging of these selected congressional districts can be called many things, including illegal, cheating, an attack on minority communities, taxation without representation and anti-American! This blatant RACIST attack on our diverse minority populations is EGREGIOUS and HIJACKS our Constitutionally protected rights to vote.

The Racial Gerrymandering the TX Governor claimed did not happen in 2021, now flip flops and agrees with Trump's Department of Injustice and acts like it did- which one was it? You cannot have it both ways! Communities deserve fair maps AND to be drawn together, as we share a common interest. We object to the power of our diverse communities of Black, Brown, Hispanic, Asian etc., being sliced, diced and chopped up & diluted like a meaningless salad. Every Texan's voice matters! NO STEALING OUR VOTES! NO MAGA MAPS! NO RACIST GERRYMANDERING! WE WANT FAIR MAPS! NO MID-DECADE REDISTRICTING!
