Message:

I strongly oppose the planned redistricting under consideration by the Texas Legislature. This is not a census year. There is no reason to be doing this now, except for Rebuplicans to add more pressure to their finger on the scale and silence voices of Texans before the mid-term elections.

Use this special session to help Texans, not political parties. In wake of the July 4th floods, there is lot that can be done to help those affected and prepare (or try to prevent) for when this type of tragedy happens again.

Thank you!
