Message:

I am a resident in congressional district 24. I strongly OPPOSE the mid-decade redistricting proposed. This redistricting is a blatant attempt at racial gerrymandering to break up minority districts. It is also an obvious attempt to keep the current republican white minority in control or gain additional seats. I OPPOSE redistricting because this proposal did not go through with adequate time for input and discussion. Lastly, there is NO NEW CENSUS data to warrant redistricting - this is merely meant to gerrymander the districts further for political gain.
