Message:

I'm writing to vehemently oppose the redistricting efforts being discussed today. This maneuver is patently corrupt, and as a seventh-generation Texan it appalls and disappoints me to know that my fellow Texans would behave in a way that so callously removes the voice and autonomy of more of your fellow statesmen than have already been suppressed. If your policies and stances are good, people will vote for them. Only those who know they're on the wrong side of history need to manipulate votes at this level to grasp at power.
