Message:

Dear Senate Special Committee on Congressional Redistricting,

I'm opposed to this proposed redistricting. I live in the 7th Congressional District and am satisfied that I'm being represented fairly in our democratic republic.

I'm appalled that the Texas Legislature would kowtow to President Trump. Texas state government likes to brag about how it does things the "Texas way" but apparently when President Trump says, "do it", there is no courage or fortitude to say, "no thank you we represent the People of Texas", and not you.

This is pathetic and I don't understand how it's legal and how people can be jerked around to suit any party. My own desire is for Texas to be independent and think things out carefully instead of being hurried up to do something so monumental. I oppose being tied to any party or any person in this manner.

I urge you not to change U.S. Congressional Districts because the President wants this. Stop this tyrannical move before we all lose our freedoms.

Brandt Mannchen
