Congressional Redistricting, Select August 01, 2025 - 10:00 AM or upon final adjourn./recess or bill referral if permission granted

[E1.030]

HB 4 by Hunter

Relating to the composition of the districts for the election of members of the United States House of Representatives from the State of Texas.

Texas was designed to be independent of the federal government and the executive branch is overreaching and trying to interfere with the Texas government. This is extremely unfair to the people of Texas and must not be passed. I hope you do the right thing and deny this bill.
