Message:
TO THE SPECIAL COMMITTEE ON REDISTRICTING

Why is the Texas Legislature, once a proud body, bending the knee and groveling to Donald Trump? It is not the business of the State of Texas to manipulate and abuse the redistricting process -- which is not supposed to happen for five more years -- to attempt to gift Trump a GOP majority in the House of Representatives for the rest of his term.

Stop this travesty. Take care of truly important business such as saving Texas lives by hardening flood response -- and go home. Make me proud to be a Texan instead of ashamed of the spinelessness of our elected representatives.

Sincerely,

Brenda Bell
