I OPPOSE midterm redistricting! What in the world are you thinking?

For the last 30 years my Representatives have chosen me as a voter, and if you and the Wilks & Dunn political machine are going to pick me, then YOU owe it to me to show up and listen to what our needs and concerns are! The only time I know any of you are out and about in the community is when I see an after the fact social media post where you are all at a “private event”. I call your offices often about your District needs, to include language in Bills that don’t help us, only to have you send me a form letter about the Border. I didn’t call about the border!

Since we both use the same undocumented immigrants for yard help, or other jobs, I guess I will just start sending notes through them!

Stop with the BS!
