Message:

I'm a proud resident of Kilgore in Rusk County, and I strongly oppose any redistricting efforts in our area—or anywhere in the great state of Texas—that are designed to benefit the Republican Party. Every Texan, no matter where they live, deserves fair representation and a voice in our democracy.

Our elected officials have one job: to serve the people. As citizens, we have the right to choose leaders who reflect our values, share our morals, and represent our communities with integrity. When those in office stop listening to the people they represent, they should step aside—not manipulate district lines to cling to power.

Redistricting should never be used as a tool to silence voters. The power belongs to the people—not to politicians. If Republican leaders move forward with efforts to further gerrymander already-manipulated districts, they should be ready for serious pushback. Texans won't stand by quietly. We will fight for what is fair, ethical, and fundamentally American.
