Message:

As a true American patriot, I am writing this to stand up and speak against intentional gerrymandering of our district maps.
I'm an independent and dont vote straight ticket.
If this senate plays into being apart of Trumps cheating and lying ways I will vote straight Democratic from here on out and encourage everyone I know to do the same.
I'll invest my time assisting them with campaigning, and join more activism groups combating all of Trump racist policies and suffering being brought upon our nation.
Texans deserves fair and honest elections.
This administration cannot be trusted to be moral or honest.
Republicans have proven over and over again that they move only on republican interests and are willing to lie and cheat to get their way.
This violates the Voting Rights Acts and the constitution.
This president has proven over and over that he doesnt know if hes obligated to honor the constitution and will fight tooth and nail to find loopholes in getting around the law and its rulings.
Texans need to set the stage for patriotic action, not to become puppets to a grifter pedo in chief.
His attacks on vulnerable communities and silence voices of people of color.
All Republicans will lose their votes and turn the entire state blue, because we will not bow down to a tyrant.
If you wish to retain power, do so fairly.
I am the DEI you fear and reject, so I will use all of my energy to reject your hate and cheating.
Ill use all my skills, talents, and time to fight back against Trumps polices that bring pain and suffering upon any/all of Gods people.
Im asking that (Christian) Republicans to stand up and fight back for the laws of God/love, and to reject the laws of a hateful fake Christian and false god Trump!
