Message:

My name is Carl Moss, from Hideaway, TX. I oppose racially gerrymandering of congressional boundaries which suppress the vote and discriminate against minorities. Texas has one of the lowest rate of health insurance which is being reduced further especially amongst low income Texans because of the most recent tax bill. The recent tax bill passed by the thinnest majority. Our democracy depends on accurate representation. It is very important that hearing have at least 5 days notice in order to permit public input on Redistricting. Thank you for listening to my concerns.
