Message:

I am against Redistricting. As a constituent, I deserve to see a map of the proposed redistricting. In fact, the 2021 Redistricting map is still tied up in court. How is it possible to move forward with that still unresolved??? What is the urgency to this, except not for political gain by a "few." All documents from beginning to end must be public knowledge. It is your responsibility to be transparent to make the best decision for ALL the people.

Please reread this: the First Texas Constitution 1845 "All political power is inherent in the PEOPLE and all free government are founded on their authority and instituted for their benefit."
(Not for the benefit of a few)

You were elected by the people to serve the people, not yourself or a chosen few.

DO NOT CONTINUE THIS PUSH TO REDISTRICT for the good of your constituents!!
