Message:

Please do not redistrict to favor Republican votes.

It is obvious the rules of the game of who wins are being changed to take away the balance of power and give it to one party, the Republicans.

That is not the way our government was supposed to work. It should represent all of the people in an equal way.

We have never had ANY town hall meetings in the city of Denton. Lack of representation on the Federal and State.”

Please give us a town hall meeting.

Thank you
