Message:

In my judgment during the Special Session, you should be prioritizing Texas' urgent needs first such as flood relief and emergency preparedness in light of the July 4th disaster. Furthermore, redistricting now will result in more legal challenges and costs to taxpayers. A lawsuit brought by civil rights groups challenging the 2021 redistricting still hasn't been decided; that court decision will be crucial to inform redistricting. Voters deserve a thoughtful, fair, and transparent redistricting process that gives every community an equitable voice through their vote. Manipulating maps will erode voter confidence and call into question the results of the 2026 midterms.

I urge you to abandon this clearly partisan, rushed effort to redistrict. Put the everyday people of Texas first. We deserve it and we vote.

Respectfully,  
Rev. Carolyn Mitchell
