Message:

Once again Trump and the Texas Legislature are seeking to make changes that would allow them to create more republican seats in congress! It's basically a way to add five republican seats. The people do not want something that is not fair! To set up five more republican seats instead of keeping what we have now. You are supposed to represent the citizens. Instead you are trying to create more republican seats in order to get more republican votes, that is NOT RIGHT NOR FAIR TO TEXAS VOTERS! Enough gerrymandering and setting up more republican seats and votes, we know that TRUMP is pushing for more republican seats! Don't let him rig the amount of votes in order to gain more power!! The TRUTH is what the people want!!
