Message:

Stop with re-districting. It is appalling that our state has succumbed to the greed and corruption of Washington DC. We are better than that!

It is mortifying that our beloved Texas has become completely desensitized to what voters want that you no longer allow reasonable legislation that is fair for ALL Texan's Democrat and Republican. To try to tip the scales intentionally and cheating Democrats because you don't want to lose or you just want to bully everyone into what you want is WRONG and GROSS. Stop with this. Allow this pendulum of insanity to go back to center and lets get some REAL work done and save the good ol' boy routine for backroom gossip because we are tired of it. We are tired of having our rights taken away piece and piece. We are tired of the mudslinging. We are tired of the assault on women, the assault on immigrants, the assault on reasonable gun legislation. We are tired. Please for the love of God.. do what is RIGHT and stop gerrymandering.
