Message:

I am writing to express my strong opposition to any redistricting efforts that unfairly favor the Republican Party or any political party. As a concerned Texan, I believe that electoral districts should be drawn to reflect the true diversity of our state—not manipulated to maintain political power at the expense of fair representation.

Gerrymandering undermines the democratic process and erodes public trust in our institutions. Every Texan deserves an equal voice in government, and that starts with fair, nonpartisan district maps. I urge you to prioritize transparency, equity, and the will of the people—not partisan advantage.

Thank you for your attention to this important matter. I hope you will stand for fair maps that strengthen, not weaken, our democracy.
