****Subject:**** I Oppose Gerrymandered Redistricting in Texas

Dear Members of the Texas Senate Redistricting Committee,

I am writing to express my strong opposition to the proposed redistricting maps under consideration. These maps are gerrymandered and deeply unfair. They do not reflect the population or diversity of our growing state, and they are clearly designed to protect political power—not to serve the people of Texas.

Texans are tired of politicians drawing maps that silence communities and rig outcomes. Most of us, across party lines, want competitive, fair districts—not manipulated ones. We are watching, and we will remember how you vote.

If you support these gerrymandered maps, you may win a political advantage now—but you will lose support in the midterms and beyond. Voters are awake, informed, and fed up.

Do the right thing. Say no to gerrymandering. Support fair maps that represent all Texans.

Sincerely,
Christie Michie, Public School Teacher
