Message:

This is an outrage. Gerrymandering is undemocratic and is merely a tool for losers to try to game the system. Please, do not further

gerrymander Texas. I have been a lifelong Republican voter, but protecting pedofiles (release the Epstein files now!), kicking people

off Medicaid and consolidating power through gerrymandering is disgusting. I thought we stood for small government. This is just

picking your voters and selling them off to the highest paying doner.
