Message:

When are Texas politicians finally going to stand for all of the constituents they were elected to represent?

Donald Trump is asking you to gerrymander our districts by increasing Republican voting districts that will favor him and keep him in power. What happen to waiting for the new census to review and redraw the districts as they would be represented then.

Congress needs to stop bending to a president that is not doing what is best for the country.

Smacks of "Find me 11,780 votes".

Texas is not all RED so the rest of the voters need to be represented fairly.
