Affirm public info: I agree

Regarding: Congressional

Message:

I am appalled that the Texas governor bows to federal government demands for redistricting now in Texas to further rig elections.

Where is the proposed revised map?

I'm sickened that the Texas legislature has taken on this bogus item during a special session that needs to focus on addressing the loss of life from the floods in Kerr County over the 4th of July weekend, offering legislative support and solutions for this disaster.
