Message:

I am truly appalled and so disappointed in the way this state has tried so hard to silence people.

Gerrymandering should 1000% be illegal. Your attempts to try to silence people with opposing beliefs is not a democracy, truly the opposite. As a catholic woman, as a mother, as a daughter, as a PERSON, I'm so disappointed that you people who claim to be righteous and have all these christian beliefs truly only care about the money in your pockets and these small ignorant ideologies. I'm angry and I will join all attempts to stop this. It's discriminatory and really goes to show that the United States, "the land of the free", is no longer a democracy.
