Message:

The gerrymandering act recklessly dices districts to support party politics. You are supposed to value the people, not reduce opportunities to represent them. Or more accurately yet, represent just whom you want. This is a shameful power grab by the Republican Party—none of whom have the guts to do what is right for Texas anymore.

We're not stupid and we see you approving this. The gerrymandering and the timing of this process speaks of what you value. Fix it! This is disgraceful and not worthy of Texas. We are ashamed to be Texans because of stuff like this.
