Message:

This mid-season redistricting scheme is a shameless attempt to silence me—and millions like me. I want a government that listens to us, that reflects our voices and values. Instead, my voice is being erased before I even have a chance to speak. Gerrymandering should never be used as a tool to cling to power. The Governor and Republican Party know their policies are unpopular, so they're rigging the system to avoid accountability. It's corrupt, it's cowardly, and it's un-American. Every voter deserves fair representation—and we must demand better from those who serve us.
