Message:

I very strongly oppose redistricting that favors the Republican Party. Every Texan, regardless of where they live and their party affiliation deserves to have their voice heard. It is your job as a representative to serve Texans - not yourselves. It is our rights as citizens to be able to elect officials who reflect our ideals and share our morals. If representatives cannot align themselves with the people's needs, then they are not fit to serve those constituents. Redrawing district lines just so that the Republican party can pick up more seats is highly immoral and corrupt.
