Message:

As a proud and deeply concerned citizen of Texas, I strongly oppose any attempts to redraw legislative districts in a way that undermines fair representation. The practice of illegal gerrymandering poses a direct threat to the integrity of our democracy and to the foundational principle that every Texan's voice and vote should count equally.

Redistricting should never be used as a tool to consolidate power or silence communities.

Unfortunately, past efforts in Texas have demonstrated clear patterns of partisan and racial gerrymandering, tactics that violate both federal law and the core values of a free and fair democracy. These manipulations erode public trust in our government and strip power away from the very people.
