Message:

Dear Senate Special Committee on Congressional Redistricting,

I am a lifelong Texas voter who, after careful consideration, votes on issues and individual candidates. Regardless of my party affiliation, I believe in fairness and equality for voters in each and every congressional district. I am appalled and opposed to any attempt or process to redistrict certain areas of Texas to specifically and egregiously favor one party over another. In El Paso, this would be a clear disenfranchisement of many, many voters. This is un-American. The right to vote is the most precious right in this nation, and you would be taking away the voice of a multitude of Texas citizens.

Don't do this, please.
