Message:

My community and I have come together a discussed the current plan to redistricting to play the votes. YOUR job will be to go against that because NO ONE WANTS THAT. We have all spoken loud and clear and agreed that what that is doing is playing votes to steal votes. This is no better than fraudulent behavior towards a fraudulent election which no one will agree on. As lifetime Texans we are ashamed and embarrassed to have those who promised well and care for to stab us in the back this way. If yall truly care for us, yall shall stand by us and with us to keep this state the home we built with love and not hate. We are against the Republican Party at this time for encouraging these fraudulent behavior along with several bills that goes against ur civil rights and we are always watching and ready. We aren't your play thing, you took the responsibility to represent us and speak up for what WE stand, not what you feel is better for us so stop trying to ruin us.
