Message:

Please do not proceed with redistricting; we do not want this to happen. You're attention should be more focused on immediate

problems that impact Texans right now. Like natural disasters, immigration raids/family separation, childhood hunger, or the almost

30,000 people experiencing homelessness in Texas. Just some ideas for yall to start with. Point being, there are bigger problems for

y'all to be focused on, and we would appreciate it if all members worked together to pass meaningful legislation.
