Message:

Honorable Members of the Texas Senate Special Committee on Congressional Redistricting

As a Texas native and voter, I strongly request that you do not reconfigure the existing Texas Congressional Districts out-of-cycle during this Special Session. If a Democrat President directed you to find 5 additional Democrat seats, how would you respond?

Regardless of which Party has the majority, we voters should be allowed to choose our elected officials, not the other way around.

Please use this Special Sessions to focus on upgrading the State's emergency notification system and associated infrastructure. This is a non-partisan issues that all Texans can support.

Respectfully,

Harold M. Broth
