Message:

This just sets the GOP up to fail 100%. If the GOP wants to follow the Criminal President, let them do it. They WILL be voted out of office during the next election. Why don't you just go ahead and wear your white gowns and pointy hats to work? Show your constituents what you really think about them. I am a native Texan. I used to be a proud Texan. Now, all I want to do is leave this state. Your actions are an embarrassment to the state. Vote against redistricting. Vote to support the PEOPLE of Texas, not yourself.
