Message:

Why is the President meddling in Texas affairs?

Donald Trump has openly admitted that he is using Texas to gain 5 Congressional seats in 2026, allowing him to continue to assault

hard-working Americans by dismantling important public services. As a proud, independent Texan, I do not want Donald Trump using

Texas to offset his potential losses in the 2026 midterm. This mid-cycle redistricting is solely to disenfranchise voters and silence the

voices of citizens who have valid concerns about the current administration. We must not allow DJT to continue his assault on

working class Texans.

This special session SHOULD BE SOLELY ABOUT FLOOD RELIEF and fair representation. Stay on the right side of history and do not allow this to become a power grab.
