Message:

Thank you for allowing me to speak. I live in Hidalgo County the poorest most corrupt county in Texas, all control by democrats.

Democrats talk about gerrymandering when in reality they use it to control the votes. The Galveston County case shows

How democrats gerrymandered based on race, I'm glad they lost. Hidalgo county Needs more republican representation, democrats

are such hypocrites, always talking about diversity but they don't care about conservative voters. I support the redistricting so we

can cut Hidalgo county and break the democrats strongholds.
