Title: N/A
Organization: Self
Address: [REDACTED]
City: Houston
State: Texas
Zipcode: [REDACTED]
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:
Governor:

Why is it that you are able to redraw maps without all of us knowing how are redrawn? How would you feel if the Opposite party do the same while holding office? Would you call it dishonest? How cynical can one be to benefit on the disadvantage of others, including your continuances. Do not forget that you are responsible for all of us and that you serve us, not the other way around. We the people, not your people only.

Sincerely

[REDACTED]
