Message:

I am beyond disappointed that my state representatives would vote for this illegal Congressional Redistricting solely because of Donald Trump's request. This was not even a topic of discussion or on the agenda until Trump's fears of the 2026 mid-terms motivated him to request 5 more safe Republican seats be created.

When you took office to represent the citizens of Texas you took an oath to uphold the Constitution, you did not take an oath of loyalty to Donald Trump.

In case you have forgotten, this is the oath you swore to uphold: "I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God."

No where in this oath does it mention a President or Donald Trump.
