Message:

This message is to everyone in the Texas congress.

I want to tell all members that the redrawing of districts is absurd and should be illegal, since when does the POTUS demand or tell our state leaders what to do when it is state business.

Gerrymandering or redrawing every 10 years is bad enough, but to do it just to benefit the GOP is ridiculous and pitiful showing of character. If Abbot is for Texas and all Texans, this sure doesn't show it. Democrats need to fight and wake the hell up. I think that the trio in charge have their own agenda regardless of what is right for the people of Texas. I have lived in Texas all my life and I will not vote for another republican no matter what lines are drawn. The only line being drawn by Austin is in the sand!!!
