Message:

Why are Republicans trying to redraw maps when we got new ones fewer than five years ago? Oh, that's right. Daddy Trump has asked Abbott to stack the deck so he can squeeze five more Republican seats out of Texas and the incompetent, incontinent fascist can remain in power and continue to line his own pockets at every US citizen's expense.

Stop wasting time. Fix the electric grid. Get emergency weather warning systems in place. Fund public schools properly.

Stop worshipping a false orange idol and serve the public. Your cult membership does not serve the needs of the citizens of Texas. You should be embarrassed by your corruption.
