Message:

I am writing to strongly oppose the plan for congressional redistricting. Instead of engaging minority voters in an effort to persuade them to support your policies, we have politicians working to silence their voices. This mid-decade redistricting effort is unnecessary and a wasteful use of our tax dollars. There are more pressing matters to attend to during this special session. Lastly, as a lifelong Texan, I am disappointed by the fact that our Governor and Legislature are taking their cues from 1600 Pennsylvania Avenue. This is not the independent spirit that usually resonates from the Texas Capitol. VOTE NO on this redistricting plan!!!
