Message:

As a constituent of Flower Mound, I vehemently disagree with your plan to redistrict in Texas. This is a blatant political move to benefit one party over another and does not fairly represent the citizens of our state. We are so sick and tired of your inability to work together to find solutions that promote compromise. Instead, Republican lawmakers focus their efforts on trying to amass power and push their extreme views. This has happened before....one only has to look back to Germany in the 1930's. When our local representatives capitulate to one man and not represent their constituents equally, we no longer have a democracy with guaranteed civil liberties. We say NO to redistricting!
