Message:

I do not approve of the proposal to redraw district maps. Texans demand to be provided the proposed maps so that we may decide what is best for us. It is clear to me, that once again, that black and brown majority districts are a target. It is clear that bootlicking Republicans are doing the will of the president and ignoring the will of the people. It is clear that Republicans are willing to cheat to retain their undeserved power. It is clear that Republicans are not for equal representation. I have no trust in this Republican party to put Texan's interests over the presidents. I do not approve of the proposal to redraw district maps.
