Message:

Why are you even spending time on redistricting when just 3 weeks ago floods killed 137 Texans?

Instead of redistricting, why aren't you looking for solutions to the floods that left so many families grieving?

Also some serious questions have been raised about constitutional issues regarding the July 7 DOJ letter and whether what the DOJ is asking you to do is constitutional.

I support Senator Alvarado's request to bring the DOJ letter writer in to explain - and to do that even if a subpoena if necessary. This should be done as quickly as possible given the DOJ deadline of August 7 and its implied threat. What does this threat mean? They haven't even explained.
